Career Objective

Dedicated and quick-learning Computer Science student seeking an opportunity to begin my career in software development. Eager to utilize my programming knowledge, improve my problem-solving abilities, and contribute effectively while continuously learning new technologies.

Technical Skills

- **Programming Languages:** Java, JavaScript
- **Web Technologies:** HTML, CSS, Node.js
- **Frame work:** Spring Boot
- **Database:** MySQL
- **Tools:** Eclipse, GitHub, VS Code
- **Soft Skills:** Communication Skills, Collaboration, Analytical and Logical Thinking

Education

B.Tech – Computer Science and Engineering	2023–2027
Bonam Venkata Chalamayya Institute of Technology and Science	CGPA: 8.5 (5th Semester)
Intermediate (MPC)	2021–2023
YVS Junior College, Mukteswaram	Percentage: 90%

Internships

Java Development (Virtual) – Talent Shine India

- Learned Core Java, OOP concepts and SQL fundamentals.
- Developed Java applications and improved problem-solving skills.

Cyber Security (Virtual) – ExcelR

- Learned cyber security fundamentals and secure computing practices.

AI & ML (Virtual) – EduSkills

- Learned AI and Machine Learning fundamentals.

Projects

Student Readiness and Placement Tracker (Hackathon Project)

Jan 2026–Apr 2026

Java, Spring Boot, MySQL, HTML, CSS, JavaScript, REST APIs

- Developed a web-based placement management system to track students' technical skills, aptitude performance, certifications, projects, and interview readiness.
- Built dashboards to monitor placement eligibility and student performance.
- Collaborated to deliver the solution during a hackathon.

Certifications

- Data Analyst – Talent Shine
- Social Network Analysis (NPTEL) – SWAYAM
- SQL Basics – HackerRank
- Java Full Stack – Talent Shine

Achievements

- Secured **First Prize** in the **Code Clash Challenge – 2K24** organized by the Department of Computer Science and Engineering, Bonam Venkata Chalamayya Institute of Technology and Science (BVCITS).
- Developed and presented the project titled **"Sorting Visualizer"** during the competition, demonstrating strong problem-solving and programming skills.
